Woodhouse EdgeLine® Now Comes with a 5-Year Product Guarantee

Woodhouse Timber Company is pleased to introduce a five-year product warranty across its complete range of Woodhouse EdgeLine®.

Woodhouse EdgeLine® is a range of white primed finger-jointed radiata mouldings that have been manufactured for use as a premium internal fix-out solution, a popular and competitive trade solution for domestic and commercial construction for many years.

Under the new warranty, if a Woodhouse EdgeLine® product exhibits failure during the five-year period, the affected product will be remedied or replaced according to the specified terms in the product guarantee.

Woodhouse Timber Company CEO, Mark Woodhouse, said, "Quality and service are key pillars of the Woodhouse operation. It has always been important that our products attain and maintain the highest standards. Therefore, it was a logical step for us to enhance consumer confidence by providing this new product guarantee for the Woodhouse EdgeLine® range."

This Warranty only applies to Woodhouse EdgeLine® products which are supplied after 01 February 2022.

CONDITIONS OF WARRANTY

Woodhouse Timber Company guarantees that Woodhouse EdgeLine® products will be free from defects in material or workmanship for five (5) years from the date of supply, subject to the exclusions and limitations set out in this warranty.

If a Woodhouse EdgeLine® product is determined to be defective within this warranty period, it will be remedied or replaced according to the specified terms and conditions in this limited product guarantee.
